

VISION BENEFITS UNDER ALLEGIANCE

Vision Benefits under the Allegiance Open Access Plus Plan provides coverage for one routine eye examination every 12 months per covered person. If you utilize in-network ophthalmologists or optometrists, you will be responsible for \$20 copay. If you utilize out-of-network ophthalmologists or optometrists, the plan will cover 70% of the reasonable and customary costs of the exam after your annual deductible for the medical plan has been satisfied.

In addition to the exam, you may be reimbursed up to \$100 every 24 months for eyeglasses and/or contact lenses per covered person.
